SANDS' SARSAPARILLA,

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

This medicine is constantly performing almost incredible cures of diseases arising from impurities of the blood and general system. It has arrested and cured numerous cases of scrofulous affections, diseases of the skin, rheumatic gout, diseased liver, painful enlargement of the knee, elbow and wrist joints, chronic rheumatism, sore throat, chronic constitutional disorders, and various other diseases arising from impure secretions. In this preparation is strongly concentrated all the valuable medicinal properties of Sarsaparilla, on which its activity depends, compounded with other remedial agents, selected from the vegetable kingdom, the whole strength of which is extracted on an entirely new principle, which has cost many years of labor and much expense. The great object desired is now triumphantly accomplished, in the production of a remedy possessing a controlling power over supposed incurable diseases, heretofore unknown in the history of medicine.

The afflicted, or those who may have given up in despair, and all who are interested, are invited to make a trial of this valuable medicine, or to call on those who have come forward and borne public testimony of its priceless value to them, and satisfy themselves individually of its power in arresting and curing disease, and of what it has performed for others.

The following interesting cases are presented, and the reader invited to their careful perusal. Comment on such evidence is unnecessary.

New-York, July 29th, 1844.

Messrs. SANDS:—Gentle—I consider it but an act of justice to you to state the following facts in reference to the great benefit I have received in the cure of an obstinate CANCEROUS ULCER on my breast.

I was attended eighteen months by a regular and skilful physician, assisted by the advice and

counsel of our most able and experienced surgeons, (without the least benefit whatever. All the various methods of treating cancer were resorted to; for five weeks in succession my breast was burned with caustic three times a day, and for six it was daily syringed with a weak solution of nitric acid, and the cavity or internal ulcer was so large that it held over an ounce of the m-

lution. The doctor probed the ulcer and examined the bone, and said the disease was advancing rapidly to the lungs, and if I did not get speedy relief by medicine or an operation, the result would be fatal. I was advised to have the breast laid open and the bones examined, but finding no relief from what had been done, and feeling I was rapidly getting worse, I almost despaired of recovery, considering my case nearly hopeless.

Seeing various testimonials and certificates of cure by the use of "SANDS' SARSAPARILLA," in cases similar to my own, I concluded to try a few bottles, several of which were used, but from the long despatched character of my disease, it produced no very decided change; considering this as the only probable cure for my case, I persevered, until the disease was entirely cured. It is now over eleven months since the cure was completed; there is not the slightest appearance of a return, and I therefore pronounce myself Well, and the cure entirely effected by "SANDS' SARSAPARILLA," as I took no other medicine of any kind during the time I was using it, nor have I taken any since. Please excuse this long deferred acknowledgment, which I think it my duty to make. Your valuable Sarsaparilla cured me, with the blessing of Divine Providence, when nothing else could, and I feel myself under lasting obligations to you. I can say many things I cannot write, and I do most respectfully invite ladies afflicted as I have been to call upon me, and I will satisfy them fully of the truth as stated above, and many other things in reference to the case.

NANCY J. MILLER, 218 Sullivan St.

'Sands' Celebrated Sarsaparilla.

I speak experimentally when I say that this medicine is far more effectual in the cure of chronic or acute rheumatism than any other preparation I have ever tested. Having endured extreme suffering at times within the last five years, from repeated attacks of inflammatory or acute rheumatism, I have recently used Sands' Sarsaparilla with the happiest success; my health is now better than it has been for many months past, my appetite is good, and my strength is rapidly returning. I attribute this healthful change entirely to the use of this potent medicine. Feeling a deep

sympathy with those who are afflicted with this most tormenting and painful complaint, I cannot refrain from earnestly recommending to such the use of this valuable specific. Having the most entire confidence in the medicine and skill of Dr. Sands, I was induced thereby to try the effects of their Sarsaparilla, and I take pleasure in adding my testimony to that of many others commendatory of its invaluable properties, unknown to and unsolicited by the Messrs. Sands.

A. B. & D. SANDS.—Gentlemen—I have used your Extract of Sarsaparilla since its introduction into this city.—It gives me pleasure to state I have found it to answer my most sanguine expectations. I believe it to be the best preparation of that valuable article now in use.

With much respect, yours,

JOHN WHITRIDGE, M.D.,

BROOKLYN STREET DIRECTORY:

Or, Guide for 1845 & 6.

SHOWING THE COMMENCEMENT, POSITION, AND TERMINATION OF EACH STREET, WITH THE JUNCTIONS AND CROSSINGS OF THE INTERSECTING STREET; ALSO THE NUMBER OF THE HOUSE AT THE CORNER OF EACH OF THE STREETS.

Where there is no house on the corner, or where the corner house fronts on the crossing street, the number of the house nearest the corner is given. It must be observed that in a considerable portion of the streets, the houses are entirely unnumbered. In those streets the Alphabetical Directory directs you to which of the crossing streets the house you are looking for is nearest situated.

For the information of strangers it may be necessary to add, that the odd numbers are invariably on the left hand from the commencement of each street.

WILLIAM BAILEY.

**DRUGGIST AND CHEMIST,
APOTHECARIES' HALL**

**CORNER OF SANDS AND
FULTON STREETS,**

BROOKLYN.

Takes this method of assuring the public that he continues to keep a very general assortment of Drugs, Medicines, Chemicals, Dye-Stuffs, Family Medicines, and every description of Foreign and Domestic Perfumery, Cosmetics and Miscellaneous Articles, suitable for the Toilet and Nursery; also, Shaker's Medical Herbs and Extracts, as well as every article usually called for in the Drug line.

He begs to return his sincere thanks to all those families who have honored him with their patronage, and assures them he is not unmindful of their favours. Having every convenience for facilitating the dispensing of Medicines, he solicits their continued favors; every attention will be paid to the selecting good and fresh Medicines, and compounding and dispensing Physicians' Prescriptions and Family Recipes, which is at all times under his own superintendence. Medicine Chests, for Vessels, or Families, furnished or replenished at the shortest notice. Families and Physicians supplied at the New York prices, and Goods forwarded to any part of the City.

A PROPHECY.

"Ten years from this time no man will think of using other remedies, when sickness assails his frame, than those which cleanse and purify."

THE BRANDRETH PILLS CLEANSE AND PURIFY AND CANNOT INJURE.

The weak become strong, while they are used. We may use "bark" or any "tonics;" what is their effect? They bind the disease, the "foul humors," in the body, which ultimately become so great in quantity, that apoplexy or paralysis is the result. The patient then finds too late his mistake. How different are the consequences when the simple method of

PURIFYING THE BODY

with Brandeth's Pills is adopted.

EXPERIENCE, that TOUCHSTONE of all human knowledge, has proved beyond doubt, that this celebrated medicine and the human body are naturally adapted one for the other. By their aid the whole mass of the fluids, and even the solids, (for are not the solids made and renewed from the fluids?) can be entirely evacuated, altered and completely regenerated; and in a manner so simple as to give every day ease and pleasure.

DYSPEPSIA OF TWELVE YEARS STANDING

CURED BY

BRANDRETH'S PILLS.

This is to certify that I was taken ill during the season of the cholera, in the year 1832, and continued thus until the spring of 1842, during which time I was severely troubled with dyspepsia and all its various train of suffering; so that life itself seemed burthensome. I, in the meantime, applied to a number of the best physicians, who prescribed for me, and many was the bitter dose of medicine I took, but all without avail. At last, I yielded to despair. The idea of taking the physician's prescriptions longer was useless, and I was utterly opposed to taking pills. My friends became alarmed—often solicited me to

TRY BRANDRETH'S PILLS,

asserting that they had derived great benefit from their use. At last I was tempted to give them a trial, and it is but just to say that, after using them a short time, I began to recover, and soon was entirely restored to health, and I think it a duty which I owe to the world and to Dr. Brandreth, to make this public acknowledgment.
